

Dear friend,

November 3, 2015

When you or a family member is faced with a serious, ongoing health condition, dementia or a disability, **where do you turn?**

If you're like many in our community, you go to **Grace Center for Adult Day Services**.

Why?

Because you know you will receive absolute top-notch care. And you also know that you'll be treated like a real person by dedicated, compassionate, person-centered professionals in a warm and caring environment.

Grace Center is now the leading adult day service provider in the State of Oregon. We are known for our innovative practices and our specialties in memory care and post-rehabilitation. **We keep families together and our communities intergenerational.** Our mission is to optimize cognitive and physical abilities of individuals to allow them to remain independent. Our participants and their families reflect the diversity of our community and they need your assistance in changing the way our culture views aging and disabilities. **Your support** can continue to make Grace Center the leading adult day service provider that it is **today**.

Your gift is extremely important because it offers immediate resources that are directed to current needs and opportunities at the center. **Every gift helps.** A donation of \$100 or more will help make an immediate impact on urgently needed services to our community.

If you'd like, you can specify your gift to a particular therapy program or service – *Music Therapy, Arts & Cultural, Cognitive Therapy, Exercise & Rehabilitation, Massage Therapy, Shower Service, or Transportation* – wherever you choose.

Please send **your gift today**. Our caregivers and participants are **counting on your support**.

As health care advances, Grace Center is committed to staying at the cutting edge – for you, for your loved ones, **for every person in the community**. Please help to make this possible with your contribution. Our Board of Directors, Administrators, Nurse, Activity & Office Coordinators, Program Specialists, Participant Specialist, Program Assistants, Dietary Aide, Support Staff – everyone here who works to serve you joins me in thanking you for your generous partnership and support.

Your generosity is a remarkable reminder of what our communities can accomplish **together**.

Thank you so much for your help.

Sincerely,

Rene Knight
