Dental Screening Day

Wednesday January 24th

Our first Dental Screening Day was a hit. Participants had their dental health checked and suggestions were made to improve their dental care. Dental health is important for the health of everyone. Stay tuned for an additional screenings and follow-ups or treatment appointments.

The outing for January is another trip to the Albany Carousel. This is a very popular venue. We take small groups over so they are able to ride if they wish, the carousel is wheelchair accessible. And we will take a short tour of the painting and carving rooms. Those who have not gone will get first priority. We will continue to go as long as there is interest!!!

Winter weather is arriving. During times of inclement weather conditions, please call, (541-754-8417) after 7am or check our website for Grace Center closures at www.gracecenter-covallis.org
