Outings for June:

Saturday June 10th we are planning a trip to Champoege State Park. Champoege was the place where early trappers and traders met to discuss becoming part of the United States. The historical site has one of the oldest buildings in Oregon and is along side the Willamette River. On June 10th they will have re-enactment people portraying trappers and traders. We are looking forward to a wonderful time!!!!

Monday June 19th we are taking our second trip to the Oregon Coast. We are planning to see the ocean, have a great picnic lunch, and visit a Glass Blowing facility.
