

40 Years Grace Center

For Adult Day Services

Dear Friend -

Testimonials like Mike's inspire us and clearly express the **core values** of Grace Center: **equality, empowerment, excellence, and commitment.** Grace Center values communities supporting communities. For 40 years Grace Center has provided **life-changing programs** for people with disabilities, providing day services that optimize the cognitive and physical abilities of seniors and adults with disabilities so they can remain as independent as possible and in their homes. We believe everyone should have the tools necessary to pursue a life of quality in the community.

As we **commemorate 40 years of service**, we invite you to join us in honoring our past, celebrating our present, and securing a brighter future for those we serve. Our **"40 for 40: Celebrating Decades of Dedication"** campaign seeks to raise \$40,000. Your generosity will help to ensure that families have access to the resources and support they need. Please help us keep our programs available and growing by making a contribution to Grace Center.

Every donation will go directly to support our existing programs and services.

Thank you for being a part of our journey, and we look forward to your continued support.

Together, we can celebrate 40 years of service and ensure many more decades of making a difference in the lives of seniors and adults with disabilities.

Warm Wishes,

Rene Knight, Director

Grace Center-

Words will never fully convey how special of a place this is. The care and kindness, paired with professional excellence that Dee and I experienced working with all the staff at the Grace Center was always top notch. Thank you so much for taking good care of Dee while she was there- she might not have always shown it, but it was clear to me she very much enjoyed her time there and felt safe. I will always appreciate you folks at the Grace Center.
