Subject: A Personal Note from Rene Knight:
Looking Ahead to My Retirement

Dear Grace Center Family,

Serving as the Director of the Grace Center for Adult Day Services has been the greatest honor of my professional life. After much reflection, I am writing to share that I will be retiring on December 24th, 2026. While this decision brings a mix of emotions, I am filled with immense pride for what we have built together and absolute confidence in the bright future of this organization.

When I look back at what we have accomplished, my heart is full. Together, we found our forever home by successfully purchasing our building, thus ensuring Grace Center remains a permanent pillar of care in our community.

We healed together after the pandemic, and launched counseling and support programs that brought light, connection, and hope to individuals facing isolation and loneliness.

We achieved national recognition, being named the top Adult Day Service in the nation, a testament to the love, grit, and excellence of our incredible staff.

These milestones belong to all of us. Grace Center is not just a facility; it is a community bound by deep compassion and an unwavering commitment to dignity.

Because I care so deeply about a smooth handoff, I am sharing this news now to give our Board of Directors ample time to conduct a thorough search for our next leader. Between now and late December, I will remain fully focused on our daily operations, ensuring our participants and families continue to receive the uninterrupted, exceptional care they deserve.

Thank you from the bottom of my heart for your trust, your partnership, and your shared dedication to our mission. I look forward to working alongside you over the coming months and celebrating this incredible community before my departure.

With deep gratitude and warmth,

Rene`
