March 16, 2020

Dear Participants and Care Partners,

Under the requirement of the Department of Human Services (DHS) and for the safety and wellness of our participants, families, and the community at large, Grace Center will temporarily close until further notice. This DHS policy applies to all certified Adult Day Service Programs in the State of Oregon.

This action is in place until April 30, 2020, with the understanding that guidance from DHS may change as the situation evolves. These extraordinary actions are being taken to limit the potential for participants' exposure to novel Coronavirus (COVID-19).

For updated information about COVID-19, you may visit the Oregon Health Authority's COVID-19 webpage. For information and updates from Grace Center, please visit our website: www.gracecenter-corvallis.org

We want to emphasize that this is a **temporary closure** and we will re-open as soon as DHS and the Oregon Health Authority deem it safe to do so. You will be notified directly by phone when Grace Center is able to re-open. Thank you for your support and understanding during this unfortunate time.

Thank you again,
