THE

*2022 Annual
Center of
Distinction
Award*

The Annual Adult Day Services Center of Distinction Award recognizes Grace Center for exemplary dedication in providing quality adult day services to our community. This award is granted to the top registered adult day service program in the United States. Currently, there are over 4,600-day services registered with NADSA and, Grace Center will hold the title of being the top Adult Day Service in the nation for 2022. Grace Center was selected for this award due our strong community presence, commitment to person-centered care, and the variety of activities offered at the center.

Grace Center will be featured on the NADSA website, recognized at the National Conference, receive an award, and featured in the NADSA newsletter, *The Voice*.
